This Company shall not be liable for loss by earthquake, landslide or other earth movement (this exclusion, however, shall not apply to ensuing loss caused by fire or explosion).
- E. CONDITIONS SUSPENDING OR RESTRICTING INSURANCE** – Unless otherwise provided in writing added hereto, this Company shall not be liable for any loss occurring:

1. Following a change in ownership of the insured property;
2. Removal of insured property from the counties in which this Company is allowed to write insurance unless otherwise provided in this policy;

6. In the event of damage to siding, fascia, roofing, windows, walls, ceiling, flooring, cabinetry and/or carpeting of the building at the insured location, we will reimburse you up to 1% of the limit of liability for building for the cost you incur to replace any undamaged siding, soffit, fascia, roofing, windows, walls, ceiling, flooring, cabinetry and/or carpeting of like kind and quality to match those materials that were used to repair or replace the property damaged as a result of a covered peril.

Further, during the policy term, if the insured property is **vacant** for sixty (60) consecutive days immediately before a loss, the amount of insurance and payment on any loss is reduced by fifty percent (50%). The fifty percent (50%) payment provision may be removed by having paid additional premium prior to loss. Secondary and seasonal homes or camp houses as are occupied and/or used by the insured or some other party with the consent of the insured during some portion, not less than five days, during each calendar month, shall not be deemed as vacant, provided such secondary and seasonal homes or camp houses are furnished with furniture and appliances as permit the use of the same as a place of abode.

- F. PRO RATA LIABILITY** – It is a condition of this policy contract that the maximum liability of this Company in the event of direct loss caused by perils covered shall be limited proportionately as the amount of insurance of this policy bears to the total insurable value of the property.
- G. CANCELATION OF POLICY** – The Cancellation provisions contained in this policy apply only to policies insuring a one-family dwelling, a duplex, or the itemized personal property of either, or the itemized personal property of a tenant-occupied apartment, or a policy providing coverage to a governmental unit.
1. The insured may cancel this policy at any time by notifying this Company of the date cancellation is to take effect. This Company shall return any refund due when the policy is returned to this Company. Except as provided in B below, the refund will be based on a short-rate procedure.
 2. If this Company:
 - a. Refuses to provide additional coverage which the insured requests under this policy; or
 - b. Reduces or restricts coverage under this policy without the consent of the insured, and as a result, the insured cancels the policy, the refund will be pro rata.
 3. This Company may cancel this policy for the following reasons by mailing written notice to the insured of the date cancellation takes effect. If this policy has been in effect for less than ninety days and is not a renewal policy, this Company may cancel this policy for any reason. The effective date of cancellation cannot be before
 - a. The 10th day after this Company mails notice of cancellation is for nonpayment of premium.
 - b. The 30th day after this Company mails notice of cancellation is for any other reason.

If this policy has been in effect ninety days or more, this Company may not cancel this policy unless:

1. The insured does not pay the premium or any portion of the premium when due

2. The State Board of Insurance determines that continuation of the policy would violate the Texas Insurance Code or any other laws governing the business of insurance in this state.
3. The insured submits a fraudulent claim or a fraudulent application for insurance.
4. There is an increase in the hazard covered by this policy that is within the control of the insured.

The effective date of cancellation cannot be before the 10th day after this Company mails the notice. The notice of cancellation will state the reason for cancellation.

If this Company cancels, the refund will be pro rata. The notice to the insured will state that, if this refund is not included with the notice, it will be returned on demand.

The cancellation provision contained in the Mortgagee Clause of the policy is replaced by the following:

1. If this policy is canceled, this Company will give the mortgagee specifically named on the declarations page written notice of cancellation.
2. If this Company cancels the policy, the mortgagee will be given the same number of days' notice of cancellation as the insured.
3. If the insured cancels the policy, the mortgagee will be given notice of cancellation to be effective on the date stated in the notice; however the effective date of cancellation cannot be before the 10th day after notice is mailed.

The Company will not give notice of cancellation to any successor or assignee of the mortgagee named in this policy.

- H. **REFUSAL TO RENEW** – If this Company refuses to renew this policy on its expiration, this Company must deliver to the insured, or mail to the insured at the mailing address shown on the declarations page and any mortgagee named on the declarations page, written notice of refusal to renew not later than the 30th day before the date on which this policy expires. Proof of mailing will be sufficient proof of notice. If this Company fails to give the insured proper notice of refusal to renew, the insured may require this Company to renew the policy.

1. The following provisions apply only to standard fire, homeowner's and farm and ranch owner's insurance policies:
 - a. This Company may not refuse to renew this policy because of claims for losses resulting from natural causes.
 - b. This Company may refuse to renew this policy if the insured has filed three or more claims under the policy in any three-year period that do not result from natural causes.
 - c. If the insured has filed two claims in a period of less than three years, this Company must notify the insured in writing that, if the insured files a third claim during the three-year period, this Company may refuse to renew this policy by providing the insured proper notice to its refusal to renew as provided in C below.

- I. **CANCELATIONS/REFUSAL TO RENEW** – This Company may not cancel or refuse to renew this policy solely because the insured is an elected official.

- J. **DUTIES AFTER LOSS** – The following provisions shall apply in case of loss:

1. In case of a loss to covered property caused by a peril insured against, the insured must:

- g. submit to examinations under oath and sign and swear to it.

3. Upon request, send to this Company a signed sworn proof of loss within ninety-one days of the request on a form supplied by this Company. This Company must request a signed sworn proof of loss within fifteen days after receipt of the written notice or this Company waives its right to require a proof of loss. Such waiver will not waive this Company's other rights under this policy.

This proof of loss shall state, to the best knowledge and belief of the insured:

- a. the time and cause of loss,
- b. the interest of the insured and all others in the property involved, including all liens on the property,
- c. other insurance which may cover the loss,
- d. the actual cash value of each item of property and the amount of loss to each item, and
- e. the name of the occupant and the occupancy of the building at the time of the loss.

4. Within fifteen days after this Company receives written notice of claim, this Company must:
 - a. Acknowledge receipt of the claim. If the acknowledgment of the claim is not in writing, this Company will keep a record of the date, method and content of the acknowledgment.
 - b. Begin any investigation of the claim.
 - c. Specify the information the insured must provide in accordance with item 1. above.

5. This Company may request more information if, during the investigation of the claim, such additional information is necessary.

6. After this Company receives the information requested, this Company must notify the insured in writing whether the claim will be paid or been denied or whether more information is necessary:
 - a. within fifteen business days; or
 - b. within thirty days if this Company has reason to believe the loss resulted from arson.

7. If this Company does not approve payment of the claim or requires more time for processing the claim, the Company must:
 - a. give the reasons for denying the claim; or
 - b. give the reasons this Company requires more time to process the claim. But this Company must either approve or deny the claim within forty-five days after requesting more time.

8. You must file a claim with us no later than one year after the date of loss that is the subject of the claim unless you show good cause for not filing the claim within this time period, subject to the following conditions:
 - a. For the purposes of this provision, good cause means; objective facts beyond your control that reasonably cause you to fail to file a claim under the policy within the one year claim filing deadline;
 - b. If good cause is shown:
 - i. We may extend the one year claim filing period. An extension granted is effective on the date the one year claim filing period expires and may not exceed 60 days. The extension is limited to the claim for which it is granted; and
 - ii. The deadline to file a claim may never be later than one year and 60 days after the date of the loss that is the subject of the claim; and
 - iii. The claim is barred if it is ever made more than one year and 60 days after the date of the loss that is subject of the claim.
 - c. A request for an extension must:
 - i. Be submitted in writing;
 - ii. Describe the good cause that caused you to miss the one year claim filing deadline; and be signed by you or your legal representative.

- d. All other policy terms still apply and remain unchanged, including your duty to provide prompt notice of any claim.

1. If this Company notifies the insured that payment of the claim or part of the claim will be made, this Company must make payment within five business days after notification to the insured.
 2. If payment of the claim, or part of the claim, requires the performance of an act by the insured, this Company must make payment within five business days after the date the insured performs the act.
- L. **DEFINITIONS** – “Business day”, when used in this policy, means a day other than Saturday, Sunday or holiday recognized by the State of Texas.
- M. **APPRAISAL** – If We and You agree that a covered peril caused physical loss or damage, but disagree on the value of the property or the amount of loss, either party may demand appraisal to resolve the disagreement. In the event either party demands appraisal, each party will select a competent and impartial appraiser and notify the other of the appraiser selected within 20 days after either demands an appraisal of the loss. The appraisers will each state separately the value of the property and amount of loss. If a decision is agreed to by the appraisers, the amounts agreed upon will be the value of the property and the amount of the loss and will be binding on both parties. If the two appraisers fail to agree, they will select an umpire. If they cannot agree upon an umpire within 15 days, then, at the request of either You or Us, and after notice of hearing by certified mail is received by the non-requesting party, selection of the umpire will be made by a judge of a district court in the county where the loss occurred. The appraisers will then submit their differences to the umpire. A decision agreed to by either appraiser, and the umpire will be binding on both parties.
Each party will:
1. Pay its chosen appraiser; and
 2. Bear the other expenses of the appraisal and umpire equally.
- If there is an appraisal, we will still retain our right to deny the claim.
- N. **COMPANY'S OPTIONS** – It shall be optional with this Company to take all, or any part, of the property at the agreed or appraised value, and also to repair, rebuild, or replace the property destroyed or damaged with other of like kind and quality within a reasonable time, on giving notice of its intention so to do within thirty days after the receipt of the proof of loss herein required.
- O. **ABANDONMENT** – There can be no abandonment to this Company of any property.
- P. **SUIT AGAINST US** – No suit or action can be brought against us unless:
1. There has been compliance with all policy terms, conditions, provisions, limitations and exclusions; and
 2. Except as provided in item c. below, suit or action brought against us is started within 2 years and one day after the cause of action accrues;
 3. With respect to a loss caused by a windstorm or hail in the catastrophe area as defined by Texas law, suit or action brought against us must be started within the earlier of:
 - a. Two years from the date we accept or reject the claim; or
 - b. Three years from the date of the loss that is the subject of the claim.
 4. Suit or action may never be brought against us unless and until the parties have first completed an appraisal under the terms and conditions of the policy.
 5. Suit or action may never be brought against us unless and until you have first made us aware of all damage components claimed and allowed us to inspect and adjust all of the damage components claimed.
- Q. **SUBROGATION** – This Company may require from the insured an assignment of all right of recovery against any party for loss to the extent that payment therefor is made by this Company. The insured may not, except in writing executed prior to the loss and with consent of this Company, waive his right of recovery from any party.
- R. **PREMIUMS AND ASSESSMENTS DUE, FAILURE TO MAKE TIMELY PAYMENT** – The initial dues and/or annual assessments, also sometimes called premiums, shall be due on or before the beginning date of the policy term, and all annual premiums becoming due upon the policy during the remainder of the policy term shall be due on or before the policy anniversary date. The failure to pay such initial premium when due and to pay such annual premiums thereafter becoming due on or before the anniversary date of this policy shall terminate all coverage provided for in this policy upon written notice being given by Company to insured as hereinabove provided.
- S. **NOTICE OF TERRORISM INSURANCE COVERAGE** – The exclusion for an act of terrorism as contained in this policy shall be given no effect where a certified act of terrorism constitutes an insured loss under the terms of the Terrorism Risk Insurance Act of 2002. Coverage provided by the Act for losses caused by certified acts of terrorism is partially reimbursed by the United States under a formula established by federal law. Under this formula, the United States pays ninety percent of the covered terrorism losses exceeding the statutorily established deductible as may be required to be paid by law by this Company. You are not paying any additional premium for this coverage.
- T. **MORTGAGEE CLAUSE (WITHOUT CONTRIBUTION)** - This policy, as to the interest of the mortgagee only therein, shall not be invalidated by any act or neglect of the mortgagor or owner of the within described property, nor by any foreclosure or other proceedings or notice of sale relating to the property, nor by any change in the title or ownership of the property, nor by the occupation of the premises for purposes more hazardous than are permitted by this policy; PROVIDED that the mortgagee shall notify this Company of any change of ownership or increase in hazard which shall come to the knowledge of said mortgagee and unless permitted by this policy, it shall be noted hereon; and PROVIDED further that upon failure of the insured to render proof of loss, such mortgagee, upon notice, shall render proof of loss in the form herein specified within ninety-one days thereafter and shall be subject to the provisions hereof relating to appraisal and time of payment and of bringing suit.
- Failure upon the part of the mortgagee to comply with any of the foregoing obligations shall render the insurance under this policy null and void as to the interest of the mortgagee.
- This policy may be cancelled as to the interest of any mortgagee named hereon by giving such mortgagee thirty days written notice, except in the event cancellation is for nonpayment of premium and then this policy may be canceled as to the interest of any mortgagee named hereon by giving such mortgagee fourteen days' written notice.
- If this Company shall claim that no liability existed as to the mortgagor or owner, it shall, to the extent of payment of loss to the mortgagee, be subrogated to all the mortgagee's rights or recovery, but without impairing mortgagee's right to sue; or it may pay off the mortgage debt and require an assignment thereof of the mortgage.
- The word “mortgagee” shall be construed to mean mortgagee or trustee.
- It is understood and agreed that any provision relating to written notice of cancellation or nonrenewal with respect to the mortgagee, applies only to the mortgagee specifically named in the policy and the Company is not required to give written notice of cancellation or nonrenewal to any successor or assignee of the mortgagee specifically named in the policy.
- In the event of a foreclosure under a deed of trust, the lender may cancel this policy of insurance covering the property foreclosed upon and shall be entitled to any unearned premiums from this policy, provided the lender credits the amount of such unearned premiums against any deficiency owed by the borrower and delivers any excess unearned premiums not so credited to the borrower. Unearned premiums shall be determined by the customary short rate procedures.
